

What Rideshare Drivers Need to Know About Guide Dogs

I'm a guide dog, also known as a service animal.

See my special harness with a long handle.

My job is to guide a blind person.

I'm trained to be calm and ride on the floor.

I'm kept clean and brushed.

Thanks for the ride!

Just ask if you want my head kept away from you.

WARNING:
Federal law
and rideshare policies
require all drivers
to accept service
animals.
